REGIONAL PRODUCE

Sample great produce from some of North East Victoria's renowned regional food producers such as Jim Jam Artisan Preserves, Glenora Grove – Olive Products, The Wicked Virgin – Olives, Boosey Creek Cheese, Locheilan Farmhouse Cheese, Riverina Chilli Queen, Milawa Mustards, EV Olives, King Valley Fine Foods and Ballingarry Lavender.

King Valley

The King Valley is remarkable for its imaginative use of 'alternative' varieties by winemakers who long ago recognised the region's cool climate potential. The mix of vineyard locations from steep slopes through to valley floor, soil types, and micro climates provide a mosaic of possibilities for inquisitive winemakers to explore and develop the varieties and wines styles that are the hallmark of the region's wines. The distinctive elegance and flavours of this remarkably diverse wine region are now on tasting for your enjoyment.

Rutherglen

Rutherglen is one of Australia's most celebrated wine regions. Winemaking has been at the heart of the region since the 1850s. Generations later, the families who founded Rutherglen are still making wine, joined by entrepreneurial newcomers bringing fresh ideas to build on the region's history. Rutherglen offers a rich diversity of styles – red and white table wines, sparkling wines and its internationally acclaimed fortified wines.

The region has an unmatched reputation for Muscat and Tokay which are some of the most awarded wines on the global stage.
