

WINERIES @ 10,000 FEET

Are you after the ultimate food & wine Adventure with emphasis on the Adventure? Then, 'strap yourself in' for the ride of your life as you experience Rutherglen's wineries from 10,000 feet!

RUTHERGLEN
NORTH EAST VICTORIA

Your ultimate food & wine Adventure starts with a tandem skydive at Corowa Jump Shak, where you'll free fall for several thousand feet before descending to 'terra firma' under parachute.

Back on solid ground, it's off 'behind the scenes' at Cofield Wines to experience your own personalised barrel tasting and learn the secrets of turning grapes into 'nectar of the gods'!

Feeling 'peckish'? Indulge in your gourmet hamper for two. Prepared by the renowned Pickled Sisters Cafe, your gourmet hamper features local wine and an exquisite range of North East Victorian produce.

Imagine six fabulous mementos of your jump earlier in the day – a photograph of your tandem skydive applied to six bottles of Cofield Wines Rutherglen Shiraz. We'll ship the wine to you plus a souvenir CD with photos of your skydive.

For bookings or enquiries, call Tabitha at the Corowa Jump Shak on 0415 704 748 or 02 6033 2435.
